Export Controls under the International Traffic in Arms Regulations (ITAR)

Thursday, December 11, 2018

8:00 am - 4:30 pm

600 N. Hartley Street, York, PA 17404

Learn how to comply with U.S. export control requirements for munitions items and defense articles as set forth by the International Traffic in Arms Regulations (ITAR). Understand why your products qualify as defense articles instead of dual use goods. The classification and compliance process has only become more complex under the new Export Control Reform regulations.

TOPICS INCLUDE:

- Definition of “export” under ITAR
- Export Control Reform initiative
- Registration with DDTC
- Commodity Jurisdiction Requests
- Technical data exports
- Exports of defense services
- ITAR prohibited countries & persons
- ITAR restrictions and license requirements
- ITAR exemptions
- DSP5 and DSP 73 applications
- Manufacturing license agreements
- Technical assistance agreements
- Warehouse distribution agreements
- ITAR export procedures
- ITAR enforcement
- Voluntary disclosures
- Recordkeeping
- Case studies
