**Pat Principe, WGAL TV-8, to Host Association's Annual Event April 22;  
'The Voice' Contestant DaNica Shirey to Perform *The National Anthem***

York, PA — The Manufacturers' Association has recently announced that WGAL TV-8's Sports Director Pat Principe will serve as the Emcee at the groups' 109th Annual Event, set for April 22 at The Pullo Center at York's Penn State University campus.

The Association also will host noted local 'The Voice' contestant DaNica Shirey, who is scheduled to open the evening's program with her rendition of *The National Anthem*.

Since 1983, in his career with WGAL, Pat Principe has been nominated eight times for Mid-Atlantic Regional Emmy Awards. He is also involved with community projects, including the MS Walk, The Second Mile, the American Cancer Society and the American Diabetes Association.

He will serve as host of the evening's event, and will also moderate a question-and-answer session with keynote speaker, Penn State Head Football Coach James Franklin.

DaNica Shirey made four appearances during Season 7 of 'The Voice' on NBC, with her participation ending in December last year. A resident of nearby Red Lion, DaNica has become well-known in the region for her vocal talent, and will open the 109th Annual Event at 6:00 PM that evening.

Tickets for the event are still available by calling (717) 843-3891, or by e-mail at [office@mascpa.org](mailto:office@mascpa.org).
