May 6 Seminar to Explore Tax Penalties Associated with Affordable Care Act (ACA), and Cost Containment Strategy for Businesses

York, PA – Group Benefit Services, an HR and benefit solutions company, in partnership with the Manufacturers' Association, will host a seminar Wednesday May 6. Beginning at 8:00 AM, the event is designed around the needs of local businesses – providing information on IRS Tax Forms 1094 and 1095 – with a focus on potential tax penalties and what cost containment strategies business owners can develop regarding new Affordable Care Act (ACA) provisions.

Group Benefit Services will review requirements for minimum essential plans (MECs), self-directed health plans, and provide guidance on developing alternative funding arrangements for ACA employee coverage.

Registration begins at 7:30 AM, with the seminar held between 8:00 AM and 10:00 AM at the offices of The Manufacturers' Association, 160 Roosevelt Avenue in downtown York. Cost is just \$20 for non-Association members, and is free to Association members.

Registration is required and can be completed on-line at: <http://tinyurl.com/0506MA-ManageHC>. Space for this event is limited.

Questions may be directed to Ms. Samantha Ferguson at Group Benefits Services, at (443) 541-9708 or by email to sferguson@gbsio.net.
