

Steve now resides locally here in PA and is the COO of KRAE Consulting in Mechanicsburg, PA. KRAE is a member of the York Manufacturer's Association and provides consulting and marketing services to companies in manufacturing and other areas. Steve has worked for three major manufacturing companies over his last 38 years including Corning Incorporated, Amphenol TCS and Interplex Industries. He has a BS in Mechanical Engineering (OSU), and MS in Engineering & Manufacturing Management (Clarkson), with broad and deep experience across numerous functions within a manufacturing organization. For the past 25 years, Steve has been involved in Supply Chain Management with his last position as the Worldwide Director of SCM during the pandemic.

Steve Pucci

Chief Operating Officer, KRAE Consulting
